## United Concordia Dental Plan

In addition to keeping your smile healthy, **dental insurance** helps cover the cost of routine care such as **checkups, cleanings, and X-rays**. Maintaining good oral health does more than protect your teeth — research shows that oral conditions like **gum disease (periodontitis)** can impact overall health, including your **heart**.

Regular dental visits help you and your family stay healthy and can also protect you from the **high costs of dental disease and surgery** down the road.

United Concordia Dental offers a nationwide network that makes it easy to find an in-network dentist. You'll save money by staying in network for your dental care. You still have the flexibility to see an out-of-network dentist, but you'll usually pay more out of pocket. You may also have to file claims yourself.

## Flexible Spending Accounts

Foxdale Village offers Flexible Spending Accounts (FSAs) through Webber Advisors. Full-time employees working 30 or more hours per week are eligible to participate. The Plan Year runs from January 1 through December 31.

FSAs are a great way to save money by using pre-tax dollars to pay for eligible healthcare and dependent care expenses, helping lower your taxable income.

You may choose to participate in one or both of the following accounts:

- **General-Purpose Health FSA** – For eligible out-of-pocket medical, dental, and vision expenses
- **Dependent Care FSA** – For eligible childcare or dependent care expense

## Medical Spending Accounts

By enrolling in the Medical Flexible Spending Account (FSA), you can pay for eligible, out-of-pocket medical, dental, and vision expenses using pre-tax dollars—helping reduce your taxable income. For the 2026 plan year, the maximum amount you may contribute is \$3,400.

Please note, the FSA is generally a “use it or lose it” plan, meaning most unused funds do not carry over to the next year. However, under the Carryover Provision, participants may carry over up to \$680 in unused Health FSA funds into the following plan year. You do not need to make a new election in order to have the carryover, as long as you remain a benefits eligible employee, your carryover amount will be available for you to use.

Below is a brief list of eligible expenses:

- Office Visit Copays
- Deductibles and coinsurance
- Eyeglasses and exams
- Chiropractic Services
- Hearing exams & hearing aids
- Over-the Counter drugs
- Prescription Drug Copays
- Dental and Orthodontia Expenses
- Contact Lenses and Solutions
- Over-the-Counter medical supplies used to treat an injury (i.e., Band-aids, supports/braces, etc.)

**A detailed receipt must be included with your claim submission. The receipt must clearly show the following information:**

- Name of the provider
- Name of the dependent (if applicable)
- Date of service
- Amount of the claim
- Description of the service performed

## **Dependent Care Accounts**

The Dependent Care FSA allows you to use pre-tax dollars to be reimbursed for eligible day care expenses for your child(ren) or other qualifying dependents.

You may contribute up to \$7,500 per year, or \$3,750 if you are married and filing separately.

### **Eligible Expenses Include:**

- Before- and after-school care programs
- Summer day camp (not overnight camps)
- Care provided in your home or by a licensed provider (provider must report income for tax purposes)
- Nursery school or preschool

### **Ineligible Expenses Include:**

- Child support payments
- Food, clothing, or entertainment
- Educational supplies and activity fees

### **Claim Submission Requirements:**

All claims must include a detailed receipt showing:

- Provider's name and Tax ID or Social Security number
- Dates of service
- Amount of the expense

### **Grace Period and Deadlines:**

The carryover provision does not apply to the Dependent Care FSA. However, a grace period allows you to incur eligible expenses through March 15, 2026, and apply them to your 2025 account balance.

All claims must be submitted no later than March 31, 2026.

## Disability Income Benefits

Foxdale Village Retirement Community provides full-time employees who work at least 30 hours per week with short- and long-term disability income benefits. Without disability coverage, you and your family may struggle to get by if you miss work due to an injury or illness.

At Foxdale Village Retirement Community, we want to do everything we can to protect you and your family. That's why Foxdale Village Retirement Community pays for the full cost of short- and long-term disability insurance - meaning that you owe nothing out of pocket.

If you become disabled from a non-work-related injury or sickness, disability income benefits will provide a partial replacement of lost income. Please note, though, that you are not eligible to receive short-term disability benefits if you are receiving workers' compensation benefits.

*(See plan booklet for how reductions apply to your original amount.)*
